

I am writing to protest, in the strongest possible terms, Sinclair Broadcasting's decision to force their stations to air an anti-Kerry "documentary" that has repeatedly been proven to be composed almost completely of incorrect statements and distortions.

This broadcast will be a not-so-thinly disguised effort to affect the election, is wildly inappropriate, and as such is worth FCC attention. The damage caused by this 90 minute political commercial will be vastly more than that caused by the Janet Jackson incident. I strongly urge to FCC to either intervene proactively or to impose fines on the stations airing the film.

Thank you for your attention.
